

# Metro Minute

Brought to you by WINUP Metro Chicago

August 2019  
27<sup>th</sup> Edition

## NWI Food Bank PackaPalooza

### The Music, The Fun & The New Connections

*It was a good time for a good cause! To summarize this awesome event we talked to our own Julie Oakley:*

“On August 9th the WINUP Metro Chicago Chapter participated in the 2019 Packapalooza event sponsored by the United Way and the Food Bank of Northwest Indiana. Together, with several other volunteering groups, this event was able to pack 2000 boxes of food for distribution into the local community. These boxes were filled with various canned and dry goods and for the first time, fresh produce like potatoes, carrots, oranges, apples! These 2000 boxes will help to feed 1000 families for an entire week! Thank you from the STEM and Community Outreach committee for everyone that took time out to volunteer for this event!”
